To

The Founder of Saint Rita Foundation

Nursery and primary inclusive school

Buea

Subject: letter of appreciation

Receive hereby a message of appreciation on behalf of Social Affairs Family and the community of children with special educational needs of the South West Region, for your commitment and engagement toward the education of these exceptional children

The education services rendered to this category of South West children in general and those of Buea in particular, constitute a corner stone toward the implementation of the policy of inclusive education, inclusive society and national solidarity in our region.

May your example stimulates other private social partners to embrace the concept of inclusive for a region without discrimination and for a society for all
